### Community Relations

#### STAFF PARTICIPATION IN COMMUNITY ACTIVITIES

The Governing Board encourages ROP staff to participate in activities of civic and professional organizations supportive of the mission and goals of the North Orange County Regional Occupational Program.

Staff requests to participate in professional and community activities during the employee's normal working hours require the approval of the Superintendent or designee. Factors in considering approval include the value of the activity to the ROP and the relationship of the activity to the employee's duties and responsibilities. Reimbursement for expenses for such activities, requires prior approval by the Superintendent or designee.
