

Policy

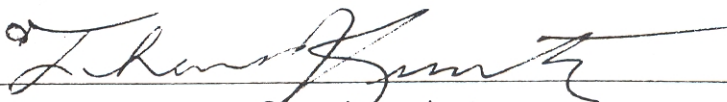

ROP No. 3517

SECURITY: KEY DISBURSEMENT

The security of the Program facilities and equipment is the responsibility of all staff. An integral portion of this security system is the proper control of keys used to secure Program facilities and equipment. Keys used by staff in the performance of their duties will be issued only from the Program's key control office. A key issued to a staff member is not transferable.

BOARD OF TRUSTEES

Revised: April 24, 1991
Adopted: January 11, 1983
