New for Spring! Go ONLINE!
Study GRAPHIC DESIGN!

Class starts Monday, Jan. 30, 2012

ROP instructor: Barbara Pieper

Online Computer Graphics & Design

Part B of a two-semester class. Part A is not a prerequisite.

Creative, Convenient & No Prerequisites!

- Study the history of graphic design and current trends**
- Review graphic design principles, elements, and color theory**
 - Use free online program (Gimp) to learn professional image editing (like Adobe Photoshop)
- Create and submit graphic art projects online**
 - Create movie posters, CD covers, advertisements, and brochures.
- Create a portfolio of your work**
- Earn up to 5 credits per semester**

✓ **Technical requirements:** An Internet connection (DSL, LAN, or preferably a cable connection) is necessary to access the course with the course management system, Angel Learning, though OC Online. You will need a supported Web browser (Internet Explorer, Firefox, or Safari). You will use your email account to log in to the course. Technical assistance needed during the course will be provided through contact with the Orange County Department of Education (OCDE).

✓ **Time requirement:** A minimum of five hours per week designing and studying online required.

Contact your on-campus counselor or career guidance specialist to enroll.

(See high school career guidance contacts on back.)
